Dear Dr. Puthoff:

I have now reviewed the five proposals you submitted and am prepared to issue you a contract. As I discussed with you I made some minor changes to proposals ESU 83-145, 83-147 and 83-148. The changes are not substantiative and will not require any additional research effort.

My plans are to visit you on 14 and 15 November 1983 to issue SRI-International a Letter Order Contract for the five proposals. In preparation of that I am enclosing a draft of the Letter Order with all enclosures. Please review it before my arrival. Also please ensure that an SRI-International official who can sign the Letter Order is available during my visit.

I also plan to discuss our future plans, meet your consultant, and monitor some of Tom's training.

Please call me to confirm receipt of this letter and my visit. I look forward to seeing you again and getting the work started.
